

Canine Wellness Visit Checklist

The Wellness Visit check in questions below will help your doctor determine your pet's overall health and help us to address any issues that may be of concern. Please fill out to the best of your knowledge.

1. Does your dog come in to contact with other people's pets/animals?
2. Has your dog been getting Heartworm Prevention medication every month? When was the last dose given? Last Heartworm test?
3. Has your dog been getting Flea/Tick Prevention medication every month? When was the last dose given?
4. Is there a lot of wildlife in the nearby area surrounding your home such as squirrels, deer, racoons, & skunks?
5. How does your dog feel about the vet visit today? (Please let your technician know if your dog is anxious or fearful at the vet, especially if your dog has been known to bite.)
6. Does your dog go to boarding, daycare, or dog parks?
7. When was your dog's last wellness bloodwork checkup? Are you interested today?
8. Is your dog eating, drinking, & eliminating normally? Is the activity level normal?
9. Is your dog vomiting, coughing, itching, or having diarrhea?
10. Is your pet on any medications? If so, please list below.

11. Is your pet microchipped? If not, would you like one placed today?
12. What diet are you feeding your dog?
13. Has your pet ever had a reaction to any vaccinations or medications before?
14. Please list any concerns w/ your dogs health currently occurring:
